Profil

Highly accomplished and enthusiastic professional with a proven track record in project management and team leadership. With over a decade of experience, I've successfully delivered complex initiatives on time and within budget. My biggest achievement is spearheading a multimillion-dollar project, showcasing my exceptional organizational skills, strategic thinking, and the ability to inspire teams to achieve remarkable results. Ready to bring my passion and expertise to drive your organization's success to new heights!

Formation

At GoMyCode   de juin 2023 à août 2023
Gabès

Eager to learn and grow, I hold a Bachelor's degree in Business Administration with a focus on Marketing. Additionally, I pursued various online courses and workshops in digital marketing, data analysis, and communication skills to stay ahead of the ever-changing industry trends. With a strong academic foundation and a hunger for knowledge, I'm equipped to tackle challenges head-on and contribute meaningfully to any team.

Certificats

Introduction to Web Devlopment

1. HTML (Hypertext Markup Language): The foundation of web development, teaching how to create the structure and content of web pages.
2. CSS (Cascading Style Sheets): Used to style and format the appearance of HTML elements on a webpage.
3. JavaScript: A programming language that enables interactivity and dynamic behavior on websites.
4. Front-end Development: Techniques for creating user interfaces and designing responsive web layouts.
